In 1924 The Armed Services YMCA building opened its doors as a recreation center for San Diego service members. Now almost 100 years later, this iconic building has been reborn as The Guild Hotel, a premier boutique experience in Downtown San Diego.

Located in the heart of Downtown, the hotel is steps from the legal, financial, federal, military and corporate epicenter of San Diego county. The historic Gaslamp Quarter, San Diego Bay, and Little Italy are moments away by foot, bike, or car.

**Named "one of the most exciting hotels opening in 2019" by Forbes, and a "masterclass in merging old and new" by Vogue Living, The Guild Hotel effortlessly reminds us of the past while moving us into the future.**
